

ANTIOCH FAIR
BOASTS THOUSANDS
OF FINE EXHIBITSAttendance Estimated to Be
Nearly 3,000; Many
Win Premiums

Despite depression and cold weather the tenth annual Antioch County Fair, held at the high school grounds October 5, 6, 7, was estimated to have been equal to that of last year. According to the official figures of Secretary Floyd Horton, the exhibits in most departments were equal in number and quality to those of previous years, and in some instances they excelled.

Over two hundred exhibitors entered in the various departments, the number of individual entries running into the thousands. In the poultry division alone, there were 1047 entries; in the pantry stores, over 500 entries, and in the Domestic Art department, over 400.

With a paid admittance of almost a thousand, it is estimated that the total attendance must have been between two and three thousand, as children and high school students were admitted free.

Features Are Well Attended
The ball games between Antioch and the Lake Co. Farm Bureau teams held both Friday and Saturday afternoon were of much interest, particularly as the teams were well-matched. The first game was taken by Whitmore's Antioch team, 13-6; the second by the Farm Bureau outfit, 5-4.

Another feature attracting all enthusiasts for cowboy songs and yodeling were the WLS Hoosier Hot Shots and Prairie Ramblers. The Style Show on Friday and Saturday evenings drew a large crowd and elicited much favorable comment.

Premium cash awards probably will be made in another two weeks, as soon as all necessary tabulations and reports are completed.

It is impossible to list all the premium winners at this time, as complete reports from each department are not yet available.

Vocational Agriculture Awards
Young Stock Division, first awards: Holstein, Howard Bonner, Lake Villa.

Jersey—Floyd Olson.
Brown Swiss—Bertram Guller, Lake Villa.
Older Stock:

Holstein—Howard Bonner.

Gurnsey—Earl Kane.

Brown Swiss—Floyd Olson.

Grand Champion Exhibitor in the

Cattle Division was Floyd Olson.

Sow Pigs—Glenn Griffin, Salem.

Barrow—Alex Jankowski, Gurnee.

Boar—Alex Jankowski.

Aged Sow—Alex Jankowski.

Grand Champion Exhibitor in the

Hog Division was Alex Jankowski.

Lambs: first awards:

Ewe—Herbert Slevers, Prairie

View.

Wether—Bertram Gallier.

Aged Sheep—Bertram Gallier.

Grand Champion Exhibitor in the

Sheep Division, Bertram Gallier.

Domestic Art

The principal winners in this department were: Mrs. Edwin Denman,

McHenry; Mrs. Chris Laursen; Mrs.

W. Thom, Long Lake; Mrs. Marie

Whited; Mrs. H. S. Roberts; Mrs.

John Holloway, Union Grove; Mrs. R.

J. Bonner, Lake Villa; Mrs. L. W.

Lewis, Waukegan; Mrs. Howard Blix-

ler, Grayslake; Mrs. A. O. Thedt;

Mrs. E. J. Watkins, Belvidere; Mrs.

Ben Burke; Mrs. N. E. Drom; Mrs.

C. L. Kutt; Mrs. John Schultz, Ken-

osha; Mrs. A. F. Boehm, Lake Villa;

M. Bagel; Elinore Shenley, Lake

Catherine; Mrs. Hugo Gussarson;

Miss Marjorie Coplen, Rockford;

Mrs. Henry Richter, Union Grove;

Mrs. Maude Sablin; Mrs. Charles

Lux; Mrs. Grace Milotson; Mrs. E.

J. Stelakal; Alice Bowman, Lake

Villa; Mrs. Bill Lyons, Grayslake;

Mrs. Walter Taylor; Mrs. Inez

Ames; Miss Mercedes Coplen, Rock-

ford; Mrs. Leone Craft, Grayslake;

Mrs. D. N. Deering; Marie Guenther;

Mrs. L. Lucas; Elizabeth Ludwig;

Mrs. Bristol; Mildred LaPlant; L. A. Wil-

liams, Libertyville; Mrs. Floyd Ol-

son; Lillian Ykruta; Mrs. L. Vidal;

Mrs. Forbrich; Mrs. M. Smart; Mrs.

Paul Ferris; and Mrs. F. S. Dan-

forth, Round Lake.

Fine Arts Division

First premiums in the oil paintings

were awarded Mrs. Drucilla Ferris;

Ida Rainey, Chicago; Anne Cheney,

Chicago; Stuart Olson; Georgia Van

Patten; and Mrs. James Austin,

Aurora.

Water color, first premiums: Mrs.

James Austin, Mrs. Walter Taylor,

Ida Rainey.

Pastel: Mrs. James Austin, Mrs. Ida

(Continued on Page 6)

Crash Charges
Against Sorenson
Are Dismissed

Einar Sorenson, Antioch and Lake Co. Democratic leader, Tuesday was cleared of charges of driving while intoxicated and leaving the scene of an accident, by Justice of the Peace Harry Hoyt.

Of the eight witnesses called, including the driver of the car struck by Sorenson, none could swear that Sorenson was drunk at the time of the accident. The hearing lasted all afternoon.

Following the accident which occurred Friday, Sept. 22, when Sorenson, driving west on Grand avenue, lost control of the car near Ash street, failed to make the curve, overturned and crashed into a car owned by Joe Bobnick, Sorenson is said to have been discharged from his state job as oil inspector.

Charges against Gerald Strang, Sorenson's companion at the time of the accident, were also dismissed.

AUTO ACCIDENT
INJURIES FATAL
TO C. MICHELLCar Strikes Loose Gravel
Near Monaville and
Rolls Over

Charles Michell, 24, Bluff Lake, passed away this morning at the St. Therese's hospital, Waukegan, as a result of injuries received when the car in which he was riding struck loose gravel near Monaville, southwest of Lake Villa, and overturned three times, late Monday afternoon.

With him at the time of the accident were Frank Paskausky, Round Lake, and Miss Vera Bown, Antioch. Miss Bown was thrown clear of the car as it rolled over and escaped without injury. The two youths were taken by ambulance to St. Therese's hospital, where they were given treatment. Michell suffered from a skull fracture and concussion of the brain, while Paskausky received a severe scalp wound on the back of the head, and a burned shoulder, as the car caught fire.

The car, a new Chevrolet, had just been purchased by Paskausky a few days before. The three were headed for Round Lake to get Paskausky's wife when the accident occurred.

Services to be Saturday
Funeral services for Michell will be held at St. Peter's church Saturday morning, with burial in the Grass Lake Cemetery, at 10 o'clock.

He was born in Chicago, August 31, 1909, but when about eight years old he moved with his parents to Bluff Lake. He was graduated from the Antioch Township High school in 1928. Until recently he had been employed as an automobile mechanic for Johnson Motors in Waukegan for over a year.

Surviving him are his parents, Mr. and Mrs. Alex Michell, and two sisters, Miss Clara Michell, and Mrs. Harold Goodred, Chicago. He leaves many friends in this vicinity to mourn his sudden death.

Warns Illinois Hunters

With the migratory fowl hunting season in Illinois opening at noon Monday, Oct. 16, Director C. F. Thompson of the Department of Conservation warns Illinois hunters that his department will make every effort to enforce the new federal hunting regulations.

While the season will extend over a period of two months, the daily bag limit on mallards and other common species of ducks has been reduced from fifteen to twelve and possession to two days' bag, Mr. Thompson said.

He particularly warned Illinois hunters that the Federal regulations concerning snipe will take precedence over those of Illinois, thus confining the open season for them to the two months period from Oct. 16 to Dec. 15. The snipe season is from Oct. 1 to Dec. 31st.

Les Crandall Takes
Back Ice Company

Les Crandall reassumed charge of the Crandall Ice Co., and its accounts, last week, after an absence of a year and a half, during which time William Nissen conducted the business. Mr. Crandall has been living at Cable, Wis., during the last eighteen months. Mr. Nissen will return to Chicago.

CHANNEL LAKE
DANCE PAVILION
BURNS TO GROUNDCause of Fire Is Unknown;
Estimate Value at
\$50,000

The Channel Lake pavilion, for years a favorite dance resort on the southwest side of the lake, was completely destroyed by fire early Wednesday morning. The building was valued at \$35,000, and the expensive equipment including the soda fountain, bowling alleys, and billiard tables at about \$15,000 according to Homer Winch, who holds the controlling interest in the place. The building was covered by \$15,000 insurance.

The cause of the fire is unknown. It was discovered by Mrs. Ted Smith who was awakened about three o'clock by hearing a rumbling noise. She went to the window and discovered that the pavilion, which was located across the road from the Smith Store, was in flames. The alarm was given, but when the Antioch fire department arrived on the scene a few minutes later, the roof had already fallen in. The building, of frame structure, was completely destroyed within an hour.

The pavilion had been closed since Labor Day. As no one was about the building when the fire started, neither Mr. Winch nor officials of the fire department, were able to give any possible cause for the fire. Ted and Howard Smith stated that when they reached home about 2:30 that morning there was no sign of any flames. Investigations are being made by Deputy State Fire Marshal, Paul E. Bertram.

Built 8 Years Ago

At the time of the erection of the pavilion eight years ago it caught fire from a nearby bonfire, and the floor was charred. However, the fire department extinguished the flames before further damage was done. It had been built to supplant an older one, now used as a sorority house, which was owned by W. O. Winch, father of Homer Winch.

This is the third large pavilion fire to occur during the past two years, for which no obvious cause was discovered. The "Fox" at McHenry was mysteriously burned two summers ago, and the Antioch Palace two years ago last month.

INDIAN POINT MAN
TAKEN BY DEATHJames L. Shaw Succumbs in
Edgewater Hospital,
Chicago

Funeral services were held yesterday afternoon at 1 o'clock for James LeRoy Shaw, 58, who passed away October 8 at the Edgewater hospital in Chicago. Death was caused by heart trouble brought on by diabetes.

Mr. Shaw has been a resident at Indian Point for about twenty-five years, and has been active in building up the subdivision and conducting a real estate business. He was born at Elderville, Ohio, January 29, 1876. While still a boy he moved with his parents to a farm in North Dakota, but later, when about fifteen, he moved to Chicago.

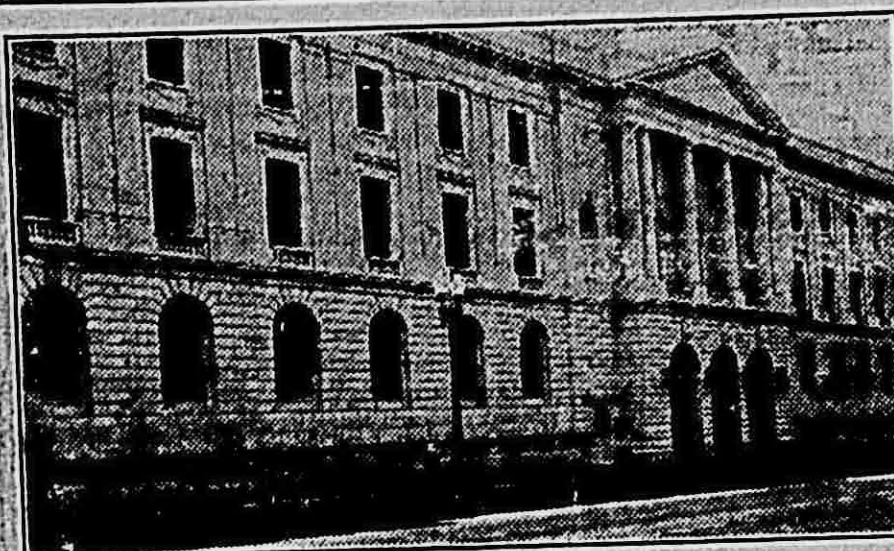

His first wife, Mrs. Maude Partidge Shaw, preceded him in death seven years ago. He was united in marriage to Miss Jean Smith November 5, 1923. Surviving him are his widow, a step-grandson, Ned Partidge, and Charles Shaw, who has been making his home with the Shaws.

During the services which were conducted by the Rev. Philip T. Bohl, three solos were sung by Mrs. H. B. Gaston. Interment is in the Diamond Lake Cemetery.

Peoria Democrats Re-
volt Against "Machine"

The "Forgotten Democrats" of Peoria have taken out a charter and are preparing to do what they can for themselves through revolt against the Democratic machine. They plan to work in unison with their disgruntled brethren in Sangamon, Adams, Morgan, Kane and other counties. The Democratic leaders openly anticipate a fight in the party ranks. Gov. Horner's personal group is reported to be holding back choice patronage, unable to decide whether to turn it over to the Kelly-Nash group or bestow it on the Lewis-O'Connell faction.

New Offices for Senators

WASHINGTON'S sweltering weather will have no horrors for members of the Senate who are lucky enough to obtain offices in this new wing of the Senate office building which has just been completed. Built of white Vermont marble, it provides thirty office suites, all of them air-conditioned.

Not only will Senators in the new wing be kept comfortably cool in summer, but they will have three-room suites instead of two rooms. This will permit the older offices to be re-arranged in suites of three rooms so that all Senators will have larger accommodations for their office staffs.

When the three-story building, which occupies a city block, was erected it was in the form of a square with one side missing. The new addition, started as part of the Hoover Administration's construction program, makes the fourth side.

CONFERENCE HINTS
RIFT IN COUNTY
DEMOCRATIC CIRCLESLeaders Deny Rumors That
Second Organization Is
to Be Formed

Emphatic denial of rumors to the effect that a second organization of Lake county Democrats is to be formed was made here this week by Frank Masine, precinct captain and chairman of the local executive committee, and George Phillips, publicity chairman of the western Lake county group.

Giving rise to the rumors, probably was the report that the entire membership of the executive committee of the local Democratic club has been called yesterday to confer with Daniel Grady, vice chairman of the Lake County Democratic Society, and that the Grady faction contemplates the organization of an active branch in Western Lake county.

Phillips declares that the circulated reports are without foundation.

He said: "Yes, I have heard the rumors, but in view of the fact that local Democrats have been in sympathy with the regular Democratic organization, sometimes referred to as the O'Keefe faction, it seems scarcely probable that efforts to effect a second organization here will meet with success."

Masine also stated that so far as he knew there was no actual plans being contemplated for a "second wing" in this part of the county.

Firemen Hold Annual
Election of OfficersDeputy State Fire Marshal
Addresses High School
Students

Robert Wilton was elected to succeed Lew Van Patten as president of the Fire Department, at the annual election of officers held Tuesday evening. John Horan was re-elected secretary and George Garland was re-elected treasurer.

The annual dinner given in observance of Fire Prevention Week Monday evening was well-attended. Captain James Young of the Fire Insurance Patrol, Chicago, was the speaker of the evening.

A large crowd attended the barn dance given by the Firemen in the Stevens' new barn north of Millburn yesterday evening. Music was provided by several Antioch youths.

Hold School Fire-Drills

Firemen conducted a fire-drill at the high school yesterday, as a part of inspection duties for Fire Prevention week. The entire student body of 265 passed out of the building in forty seconds. Deputy State Fire Marshal Paul E. Bertram addressed the high school assembly briefly.

At the grade school the 185 students passed out of the building in a minute and a half. Mr. Bertram and Chief James Stearns spoke before the teachers.

John Pacini is seriously ill in a Milwaukee hospital.

Rev. Bohl Assigned
To M. E. Church
At Des PlainesRev. L. V. Sittler, from
Plainfield, to Take
Charge Here

Rev. Philip T. Bohl, pastor of the M. E. Church here for four and one-half years, has been transferred to Des Plaines, according to appointments read at the close of the 94th annual Rock River Conference of the M. E. Church held at Joliet. The new pastor here will be Rev. L. V. Sittler, who has been at Plainfield for four years. Rev. and Mrs. Sittler, and their two children plan to move to Antioch this week-end. Services will be conducted by the new pastor Sunday morning.

A farewell service will be conducted at 8 o'clock Sunday evening by Rev. Bohl.

Expressions of regret at the departure of Rev. Bohl have been heard from many sources. He has been well-liked by Antioch people whether or not members of the M. E. church, and popular with the younger groups. During his four and one-half years here, he has received one hundred nineteen into the church, conducted 106 funerals, 39 marriages, and performed one hundred and seventeen baptisms. Rev. Bohl has spoken appreciatively of the fine cooperation accorded him in his work in this community.

Conference Inspiring

The Conference just closed Sunday night was one of the finest ever held, according to Rev. Bohl. Among the speakers were Dr. M. C. Rice, Detroit; Rabbi Lewis Mann, Chicago; Dr. Albert W. Beven, president of the Federal Council of Churches of Christ of America. The public programs were held at the Joliet Township High School, and were broadcast over Station WKBB.

Other Appointments

The Rev. C. J. Hewett has been returned to Lake Villa, instead of being transferred to Steward, as the Chicago papers stated. The Rev. Hugh McKeown, Grayslake, and Rev. Perry, Erie, have had their parishes exchanged.

Bishop Sheil at
St. Peter's Tuesday

The sacrament of Confirmation will be given at St. Peter's Antioch, Tuesday, October 17, at 3 o'clock in the afternoon by Bishop Sheil, Auxiliary-Bishop of the Archdiocese of Chicago. Between thirty-five and forty children and adults will receive the sacrament at that time. Everybody is invited to attend the services, which will consist of the giving of the sacrament of Confirmation, a sermon by the bishop and Benediction.

The Mission which was held at St. Peter's were very well attended. Besides the evening services there were Masses at 6:30 and 8:00 every morning during the Mission. Father Flynn, who conducted the services, remained in Antioch this week. He will give a Mission in one of the large parishes of Chicago next week. While in Antioch Father Flynn, who is a musician and composer, visited the World's Fair to hear the United States Marine Band. Captain Taylor Branson, Director of the Marine Band, is an old friend of Father Flynn.

DAIRYMEN BECOME
RESTLESS OVER
MILK SITUATIONMilk Producers' Federation
Convention Is Now
in Session

At the continued failure on the part of the government to effect an improvement in the milk situation, farmers are becoming daily more restless and dissatisfied. Great interest is being shown in the annual convention of the National Cooperative Milk Producers' federation, representing 360,000 dairy farmers of the nation, held in Chicago this week.

Charles W. Holman, secretary of the federation, declared that the federation stands for the right of the government to define any area of equitable distribution of milk, within which all prices to farmers and to consumers should be on a uniform basis.

More Battle Threatened

Delegates at the federation indicated that outbreaks of milk warfare were being threatened in several metropolitan milk sheds over the delays of the AAA in enforcing agreements and in approving those already before it. Thus far 147 trade agreements have been submitted to the AAA, Holman declared, of which 125 apply to milk and cream. Only 7 agreements have so far been approved by Secretary of Agriculture Wallace.

Don N. Geyer, secretary of the Pure Milk association, representing 17,000 dairy farmers supplying the Chicago area, addressed the Convention Tuesday and spoke over station WLS.

Threat to Bolt Program

"Within the next few days," he declared. "We will either see some signs of action and ability out of the AAA in Washington or the organized dairy farmers will turn their backs on the government program and take the only means left to bring back buying power in the country."

"We were selling milk in a cooperative manner here long before the AAA came along, and if we need to we can do so again," Geyer said. "It looks like we will have to show them we were in earnest when we talked about strikes and that sort of thing."

Try to Chart a New Course

Geyer pointed out that lawyers for the Chicago milk dealers and the Pure Milk Association had been working with government officials for five months to "chart a new course" in the governmental attempt to improve farm income by stabilizing market areas. So far, he said, the milk companies have been holding back in approving a new amendment to the milk agreement which would boost retail prices of milk and cream, and pass the entire increase back to farmers in the form of higher prices.

"Now the government comes along with a plan to tax all milk and milk products with a processing tax to get the funds to buy butter and turn it over to relief families," Geyer added. "We are paying a state sales tax that costs the local industry \$75,000 a month. There is a limit to the taxes dairy farmers will stand, and I am serving notice on Relief Administrator Harry Hopkins in Washington that we do not propose to go along with his plan to replace our present system of sending milk to the poor with his new scheme." (Under the present system dairymen of the Chicago area deliver bottled milk to the poor at a half cent a quart under the market price and they contribute \$4,000 a year to the relief agencies.)

APPRECIATION TO
FAIR SUPPORTERS
EXPRESSED BY PRES.

Our annual Antioch Country Fair has just closed.

It has always been the aim of our organization to encourage and create more interest in the production of better stock and produce from our farms and homes, and it was with this hope in mind that our Fair was organized.

A marked advance has been shown in each of the fairs during the past ten years. We realize that this has been accomplished only through the loyal and whole-hearted cooperation and support of the people of this community.

I wish in behalf of the management to express our sincere appreciation to the High School Board and faculty; the business people of the community, and to all who in any way aided in making this year's Fair a success.

D. H. MINTO,
President.

STUDY THE FIRE DEPARTMENT

During Fire Prevention Week the American public is instructed concerning the hazards of fire, and means of preventing them. There is another phase of the fire problem which should be studied at the same time—fire control and extinguishing.

It's better to prevent a fire than to put one out. But we will never reach a hundred per cent success in doing that. The magnitude of our annual fire loss is due largely to our own failure to prepare to fight fire. Departments are undermanned, poorly trained, and often work with insufficient or inferior apparatus. Such conditions cost us millions a year. They are reflected in fire insurance costs, in taxes, in business conditions, in community development. Every fire, no matter how small, is the enemy of progress; every fire represents a burden on every citizen of the community.

Not enough of us interest ourselves in the local fire department. We consider it purely in the province of local governing authorities. And that is a serious error. Progress is always the result of popular demand; change must be brought about by the concerted action of the taxpaying residents of the community.

Learn something about fire departments. Find out the difference between standard and non-standard apparatus—between engines that can be trusted to work efficiently all the time, under the most adverse conditions and those which may fail. If will mean money in your pocket if you and your neighbors do that and act on your findings.

FARM CO-OPS. RENDER PUBLIC SERVICE

The most apparent reason for the existence of a farm cooperative is to sell, as profitably as possible, the products of its members.

But the co-ops have another vital function—and one on which the accent has been placed in late months. That function is to act as the farmer's representative in formulating and advocating social and economic policies. The new farm bill, for example, was tremendously influenced by cooperative leaders, who were consulted by government officials when it was written. The progressive cooperatives have and are seeking the stabilization of international exchange, and the promotion of international trade. They were among the earliest advocates of monetary reform, which is one of the most burning subjects of the moment.

The good cooperative is, as a result, much more than a dealer in produce. That is something every farmer, whether or not he is a cooperative member now, should realize and appreciate.

National Problems Inseparable

From Local Welfare

"Not another winter like the last!" That was Mr. Roosevelt's pledge when he came to office. The N. R. A., the N. I. R. A., the A. A. A., and the rest,

to give them the initials by which they are now usually known, were brought into being for that purpose. The President himself has said that they all represent emergency, as distinct from long-view measures, and the theory is that they will be discarded when emergency passes.

The N. R. A. has done some excellent things, and it has made good headway. But it hasn't done all that was hoped. Men have been put back to work—but not nearly so many as was anticipated. Wages have been upped in most industries—but it's obvious that many units within those industries aren't going to be able to pay them unless credit strings are loosened. The problem is not only to make further gains against depression, but to hold unimpaired the gains that have already been made.

The way the wind is blowing is indicated by the latest Presidential announcement—he is planning a great federal non-profit corporation to buy essential supplies and distribute them to the needy during the winter. It has been the hope that direct relief of this sort would not be necessary, but as matters have developed it appears necessary if the bitter experience of last winter is to be avoided.

That's why inflation talk has bobbed into the headlines again. Many observers, including some who have qualified as experts, believe that if the recovery drive is to be continued on present lines, inflation is unavoidable. Senator Thomas, Senate Number 1 inflationist, has been threatening a march of 100,000 men on Washington unless the printing presses in the Treasury building begin humming. Senator Pittman of Nevada, whose principal mission in life is to get benefits for silver, wants inflation through the free silver route. Farm groups have been hot on the trail of Secretary Wallace, because he said that inflation wouldn't be a farmers' cure-all.

In the face of all this, Mr. Roosevelt has kept his head, his humor and his sense of balance unimpaired. He has learned how to say "No" with polite definiteness, and he is a master of evasion when that seems the soundest course. He doesn't want currency inflation, and he will accept it only when everything else has been tried and failed. His solution is of an entirely different kind—credit inflation. There is no special lack in the country of money—the problem is how to get it out of hiding and put it to work. If that can be done, he believes, it will be found that currency inflation is unnecessary. The Federal Reserve and the Reconstruction Finance Corporation will be his principal tools at first. On latest report, the President was preparing to have the latter buy the preferred stock of banks that are still closed, thereby releasing billions now frozen in deposits which the owners can't get, to provide additional purchasing power.

Intimately associated with inflation and recovery, is the question of the dollar. A while ago the managed dollar was news. In the near future there is going to be a lot of talk about the compensated dollar, the creation of George F. Warren, a Cornell professor, who was given the job of studying dollar devaluation and stabilization by the President. The compensated dollar would, like the familiar one, be redeemable in gold, but with this basic difference—the amount of gold it was worth would not be fixed, but would vary with the wholesale commodity price level. As Professor Warren said, "This proposal would give the dollar a fixed value and a rubber weight." The dollar we know is all gold—his dollar is what he thinks to be judicious blending of the fixed and the pliable.

and Mr. and Mrs. Joseph Smith were Silver Lake callers Tuesday.

Mr. and Mrs. Will Senzel, Wilmet, called at the Joseph Smith home Tuesday.

Mr. and Mrs. D. A. McKay and niece, Miss Ruth Thornton, were business callers in Chicago Tuesday. Mrs. August Lubkeman, near Bristol, entertained the first of a series of card parties at her home on Wednesday afternoon. Those in attendance were: Mesdames John Schmidt, Nick Hilbert, Charles Oetting, George Carroll, Charley Runyard, Arthur Runyard, John Geyer, Joe Fernandez, Lucy Hollister, Louise Derler and Miss Elva Mark. After a pleasant afternoon at 500 a fine luncheon was served by the hostess. They will meet with Mrs. George Carroll this Wednesday afternoon.

Mr. and Mrs. John Schmidt were Chicago visitors Friday.

Marie Mark returned home from Memorial Hospital Friday, much improved in health.

Dan Longman was a Burlington caller Friday.

Miss Mary Fleming spent Thursday and Friday at a Century of Progress, Chicago.

Mr. and Mrs. Lawrence Fleming and children, Chicago, Mrs. Ed Elkerton and daughter, Elizabeth, Kenosha were Sunday visitors at the Fleming home.

Mrs. George Carroll attended the American Legion parade in Chicago Tuesday.

Calvin Stewart and son Donald, Kenosha, called at the Arthur Runyard home Sunday.

Sunday callers at the Joseph Smith home were: Mr. and Mrs. James Lamb, Mrs. Lamb's mother, Mrs. Helen Hallett, Mr. and Mrs. Ed Glerum, Kenosha, and Mrs. Gus Glerum, Kenosha, and Mrs. Gus Fansaw and daughter Marguerite, Camp Lake Oaks, and Chicago.

Mrs. James Briggs and son and Mr. Ole Beckgaard Racine, visited Sunday at the Klaus Mark home.

Klaus Mark, son August, and daughter Nina, were Kenosha visitors Saturday afternoon.

Memorial to War Nurses

THIS memorial to Jane Delano, relative of President Roosevelt and head of war nurses during the World War, has just been completed in the garden of the American Red Cross building in Washington. The bronze statue, representing the spirit of nursing, stands in an exedra

of white Vermont marble to match the building in the background. The memorial, erected by the American Nurses' Association in memory of Miss Delano and the 296 nurses who died in the war, will be dedicated when the association meets in Washington next year.

My Favorite Recipes

by

Frances

Lee

Barton

If you are devoted to that queen of cakes—pound cake—but find it too difficult and expensive to make with your old-fashioned recipe, try these cakes. They have the richness and fine texture of pound cake but are more economical and easier to mix.

English Dundee Cake

(4 eggs)

3½ cups sifted cake flour; 1½ cup almonds, blanched and shredded; 1 cup butter or other shortening; 2½ cup sugar; 4 eggs, unbeaten; 1 cup seedless raisins; 1½ cups seeded raisins, finely cut; 1 cup preserved orange peel, finely cut; 1 cup preserved lemon peel, finely cut; 2 tablespoons orange juice; 1 teaspoon orange extract.

12 almonds, blanched and split; 12 candied cherries, halved; 12 pecan meats.

Sift flour once, measure, and sift three more times. Add almonds. Cream butter thoroughly, add sugar gradually, and cream until light and fluffy. Add eggs, one at a time, beating well after each addition. Add flour mixture. Combine fruits and peel with orange juice and orange extract and add to batter, mixing well. Pour into three greased pans, 4½x2½x2 inches, lined with greased paper. Arrange split almonds on top of one, cherries on another, and pecan meats on a third. Bake in slow oven (275° F.) 30 minutes to 1 hour.

Nun's Cake

(2 eggs and 3 egg yolks)

3 cups sifted cake flour; 2 teaspoons combination baking powder; ¼ teaspoon salt; 1 cup butter; 1½ cups sugar; 2 eggs, unbeaten; 3 egg yolks, unbeaten; 1 cup milk; 1 teaspoon vanilla.

Sift flour once, measure, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together until light and fluffy. Add eggs and egg yolks, one at a time, beating thoroughly after each addition. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Add flavoring. Place in greased tube pan, lined with greased paper, and bake in moderate oven (350° F.) 1 hour and 15 minutes or until done.

Pound Cake

(8 eggs)

3½ cups sifted cake flour; 1 teaspoon combination baking powder; 1½ teaspoon salt; 1½ cups butter; 2½ cups powdered sugar; or 2½ cups granulated sugar; 8 eggs, unbeaten; 1 teaspoon vanilla; ½ teaspoon lemon extract.

Sift flour once, measure, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating several minutes after each addition. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Add flavoring and beat vigorously for several minutes. Bake in two greased pans, 9 x 5 x 3 inches, lined with greased paper, in slow oven (300° F.) 40 minutes, then increase heat slightly (325° F.) and bake 40 minutes longer, or until done.

Green scum on the surface of lakes takes so much oxygen from the water that occasionally the fish will suffocate, according to a recent discovery.

Herbert Ghan Weds Girl from Chicago

The marriage of Miss Ruth Descher, daughter of Mr. and Mrs. William Descher, Chicago, and Herbert Ghan, Channel Lake, was solemnized at 5 o'clock yesterday afternoon by a single ring ceremony performed at the M. E. Church by Rev. Philip T. Bohl.

The bride wore a brown suit with matching accessories and a corsage of yellow chrysanthemums. The couple were attended by the bride's parents, and Mrs. Julia Jirka and Mrs. Josephine Sevel.

The groom was graduated from the Antioch Township High School in 1929, and for the past two years has been employed by Scott's Dairy. The young couple will make their home at Channel Lake.

THREE CELEBRATE BIRTHDAYS SUNDAY

The birthdays of Mrs. Burt Anderson, her niece, Miss Elaine Brown, Waukegan, and her sister-in-law, Mrs. Raymond Burnette, Loon Lake, were celebrated at a birthday party held Sunday, at the home of Mrs. Burt Anderson. Cards and dancing were enjoyed throughout the day and evening.

Those present were Charles, DeJoris, Irene, Patricia, Helen, Roberta, Lou Ella and Burt Anderson; Mr. and Mrs. Sherd Burnette, Billy Johnson, Mr. and Mrs. Lulliver Lasco and children, Buddy and Beverly Jean, Frank Blair, Miss Dorothy McCorkle, and Miss Helen Burnette, Antioch; Jake Fish, Mr. and Mrs. A. M. Anderson and son, Cecil, Lake Villa, Mr. and Mrs. Raymond Burnette and daughter, Betty Joan, Loon Lake; Mr. and Mrs. Walter Brown and children, Elaine and Junior, Waukegan; Charles Maxwell, LeRoy, Elza, and Jack Blair, the Misses Irene and Dottie Evelyn Blair, Charleston; Miss Sue Kuhn, Racine, Wis.; and James Runyard, Channel Lake.

REBEKAHS ENTERTAIN DISTRICT OFFICERS

Over fifty were present at the last meeting of the Rebekahs held Friday evening at the I. O. O. F. hall for the district officers and Noble Grand officers of district number three. Ten lodges were represented: Waukegan, Libertyville, Wilmette, Barrington, Crystal Lake, Palatine, Highland Park, Harvard, Hebron, and Antioch.

Laura Hildabrand, Palatine president of Dist. No. 3, acted as Noble Grand, and Grace Barstow, Waukegan, past president of the Illinois State Assembly acted as chaplain. Other district officers filled the remaining offices.

Following the conclusion of business a recess was declared, during which Mildred Van Patten entertained with car dances. Refreshments were served by a committee headed by Myrtle Nelson. Before leaving, each acting officer was presented with a gift.

CAMPBELLS ENTERTAIN FRIENDS AT LAKE HOME

Miss Anna E. Campbell and her sister and brother-in-law, Mr. and Mrs. John G. E. Purkel entertained thirty friends from Chicago, Oak Park, River Forest, La Grange and Riverside at a week-end party Saturday and Sunday at the Campbell cottages at Lake Catherine. A steak fry was enjoyed on the beach Saturday evening, after which bridge was played. Golf, horse shoes, and boating were enjoyed Sunday. The entire party drove in to Antioch and had a very delicious chicken dinner at the Thrifty Gift Shop on Lake St.

MRS. EDWIN RENTNER IS HOSTESS TO TWO CLUBS

The Wednesday afternoon bridge club met last week at the home of Mrs. Edwin Rentner. Those awarded prizes were Mrs. Leonard Case, Mrs. William Morley, and Mrs. Hugh Huffendick.

Mrs. Rentner entertained the Thursday club the following day, prizes being awarded Mrs. Virgil Felter, Mrs. S. Smith, and Mrs. Howard Johnson.

PING PONG CLUB TO RESUME MEETINGS

The first meeting of the Antioch Men's Ping Pong Club for this year will be held at 7:30 tomorrow evening, Oct. 13, at the grade school. After the players regain their "form" it is planned to hold a series of tournaments. This Club is open to all men interested.

HOWARD GASTONS ENTERTAIN AT DUCK DINNER

Mr. and Mrs. Howard Gaston were host and hostess to a number of relatives at a duck dinner held at their home Sunday evening. Those present were Mr. and Mrs. H. B. Gaston and sons, Mr. and Mrs. Joseph P. Nowicki and son, Jack, and Mrs. Gladys Groth.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 8.

The Golden Text was, "The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10: 7, 8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Bless the Lord, O my soul; and all that is within me, bless his holy name. Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103: 1, 3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make—hence its unreality. . . Sin, sickness, and death must be deemed as devoid of reality as they are of good. God" (p. 828).

NEARLY HALF MILLION AVAILABLE FOR LAKE COUNTY RELIEF WORK

Funds totaling \$473,274.36 have been made available to Lake County for use in relief work by the Illinois Emergency Relief Commission, according to Mr. Rogers. In discussing this system of furnishing funds to counties, Mr. Rogers calls attention to the following statement of policy from the First Annual Report of the Commission.

"Since the funds which have been available to the Commission have been limited, it has been necessary to make use of such funds as economically as possible and to avoid all waste. The Commission has attempted to make allocations that no county shall have surplus funds while the destitute in other counties were uncared for.

"Consequently, although there have been some requests that funds be distributed to the various counties on a basis of population, the Commission has steadfastly held to the principle of allocating funds on a basis of need.

"Any other principle, in order to provide every county with sufficient funds to prevent suffering, would necessarily involve allocating to many other counties far more than they would require for relief purposes."

Under this system, according to Mr. Rogers, each county has utilized its own resources to the fullest possible extent, and the Commission has provided funds to supplement the local resources. This system, he says, "is an extension of the basic principles on which all public relief is based. Ordinarily, a man is expected to take care of himself and his family. If he cannot do this, the Township or the County comes to his aid—supplements his resources."

Recently, the State, through the Illinois Emergency Relief Commission, has supplemented the resources of townships and counties. And more recently, the Federal Government has supplemented the resources of Illinois and of other states that have been unable to carry their loads without such assistance."

The administration of Commission allocations has been in the hands of County emergency relief committees. "These committees," says Mr. Rogers, "are composed of representative men and women of the counties in which they operate. They are local people with direct interests in their communities, and as such they are delegated by the Commission to act as its agents."

"This arrangement makes it possible for a State commission to operate in different counties through people with first hand knowledge of each county's particular problems. These

Farm Bureaus of State Circulate Tax Relief Petition

Aim to Equalize and Reduce Property and Other Revenue Taxes

A state-wide movement headed by the Illinois Agricultural groups and Farm Bureaus and directed against excessive taxation took a definite form this week in shape of a Tax Relief Petition.

The Farm Bureau organization in each county has appointed a person in each school district to collect the signatures of the residents therein desiring to register a protest against the present tax burden.

The aims of the Petition are stated as follows:

To remove inequitable limitations To cut property taxes in half To restrict future indebtedness To divide State revenue equitably.

According to Mr. Kirkpatrick speaking for Earl Smith, president of the Illinois Agricultural Association, over the radio yesterday, there are fifteen billion dollars worth of untaxed property in Chicago which should be taxed.

Lists of signatures are to be turned in to the County Farm Bureau office Saturday. Those working to secure signatures in this community are: Clarence Crowley, Antioch; Frank Kennedy, Hickory; Wilbur Hunter, Bean Hill; Guy Hughes, Grubb; and A. H. Pietsch, Oakland.

To Study Hibernation

Secrets of hibernation have been carefully guarded by the bear family in the past and efforts of naturalists to learn them have met with small success. They may be secrets no longer if Ranger Childs of Yellowstone Park succeeds in putting his plan over on Mr. Bruin.

He will try to persuade a yearling bear to take up winter quarters in a specially prepared underground den apparently only connected with the surface by the bear's own entrance. But the joker is that it is equipped with a sort of periscope and a listening device by which the ranger hopes to find out how the bear passes the winter.

Such information must come from bears in their natural homes as the actions of bears are quite different in captivity and in their native habitat.

committees are able to make recommendations as to needs, to establish standards, and to direct the local administration of relief for the Commission."

FARM PRINTING
IS A SPECIALTY

Gov. Horner Attacks Secretary of Illinois Press Association

H. L. Williamson, Former State Printer, May File Conspiracy Suit

Springfield, Oct. 12.—With editors in all parts of the state condemning Governor Horner's political attack on H. L. Williamson, for 11 years state superintendent of printing, the state administration is reaping a reward of criticism which it wishes could be squelched.

Gov. Horner made formal demand on Williamson for \$392,942.15, alleging he misappropriated that amount during his tenure of office. Williamson immediately made public denial, asked the governor to hurry a lawsuit—"the sooner the better"—and announced his intention to file a conspiracy suit "against Gov. Horner and several state employees who have misled him."

The wide-spread non-partisan criticism of Gov. Horner's tactics is said to have added impetus to his unpopular resulting from the sales tax, among other things. Furthermore, downstate Democratic editors are chaffing at not getting the state printing promised them by Gov. Horner in a meeting of the Democratic Editorial Association called in Springfield shortly after the new administration took office.

Editor Paul R. Goddard, of the Washington Reporter, said in an editorial on the governor's attack:

"It looks as if this was a lot of political bunk to try and discredit the former Republican administration. The editor of the Reporter resents this kind of dirty politics. Mr. Williamson has been one of the head officials of the Illinois Press Association for years and this kind of political propaganda is a direct slap at the publishers of Illinois. The editor of the Reporter has been classed as a Democrat. We have not always supported the ticket when we considered it controlled by influences which we considered against public interest. We did not support Gov. Horner, not on account of him personally, but because we considered Chicago selfish interests would dominate his administration. . . . We are for Mr. Williamson until they prove he is guilty. We think there are plenty of places where the Democrats could commence to clean house without trying to discredit the press of Illinois."

Williamson declared the attack unwarranted and purely political in a statement to members of the legislature last week. He added:

"Every contract that was made while I was superintendent of printing was made in accordance with the laws of the state of Illinois, and was signed by Governors Deneen, Lowden, Small or Emmerson. I am sorry to see the governor of the state of Illinois place himself in the mire just because I saw fit to oppose him in the primary and in the election."

LEGISLATURE MAY APPROVE \$30,000,000 STATE DOLE PROGRAM

Horner Wants \$6,000,000 Per Month for Next Nine Months

Springfield, Oct. 12.—With the legislature again in session this week indications are that the administration program for a \$30,000,000 bond issue to continue the state dole until next July, will be approved. It may be modified. At any rate funds will be provided for.

So far there has been no organized opposition to the Democratic plan. This resulted in so much confusion last week that adjournment was taken without a decisive vote. The administration was not sure it had a two-thirds majority in the senate and the opponents were not sure they had enough votes to stop passage.

Sen. Richey V. Graham, Democratic floor leader admitted he had been unable to get the necessary 34 votes pledged. Some of the Democrats want a roll call to "smoke out" the recalcitrants. The governor was reported to be losing his temper because of the delay.

"The 'sow' put on at a joint session Wednesday when the need for relief was told by Democratic experts lacked conviction and only added to the confusion. It was all too apparent that there were wide discrepancies between the announced plans of the federal government and the state."

Gov. Horner claimed the NRA was reducing unemployment but demanded \$6,212,000 a month for the dole for the next nine months, as against an average of \$5,694,400 a month for the last year and admitted that there was a noticeable increase in the relief rolls.

Rep. Rainey speaker of the federal

Lake County T. B. Association to Hold Chest Clinic Tuesday

The regular monthly chest clinic of the Lake County Tuberculosis Association will be held on Tuesday, Oct. 17, at the St. Theresa Hospital in Waukegan.

MOTHERS' CLUB MEETS WITH MRS. ANDERSON

The October monthly meeting of the Mothers' Club was held at the home of Mrs. William Anderson Tuesday evening, Oct. 10. Mrs. B. J. Snyder was assistant hostess. Mrs. Fred Hackett read an article from the Parents' Magazine on "When Brothers and Sisters Disagree." Refreshments were served.

HOLD ON TO YOUTH

Your Eyes Reflect Your Health

By Marie H. Callahan, Editor Modern Beauty Shop Magazine

If your vitality is low, if you have been keeping late hours, or working under too great a nervous tension, your eyes will probably be the first part of you to be noticeably affected. You are all familiar with the dark circles under your eyes that weariness brings on. And your physical condition is also largely responsible for a "lack lustre" quality in the eyes themselves. Or eyestrain may have this effect.

If you had to hold your arm in one position all day long you would naturally expect to feel discomfort in the muscles of that arm; yet a large proportion of people employed in indoor work are keeping their eyes in the same position—downward—all day long without doing anything to counteract the effect of the constant strain. True, the eyes do not at first give the sharp painful warning of overstrain that your arm thus abused would, but the strain is there just the same. To offset the effect of this constant downward looking, try deliberately exercising your eye muscles every day. In addition to this, look up whenever you can—when walking, traveling the street car to and from work, and so on.

After doing close work for any length of time, shut your eyes for a minute; then focus them on a distant object. Wash the eyes twice a day in an eye cup full of boric acid solution. At night, massage a little food cream around the eyes.

Then there are certain eye diseases that detract from eye beauty. Sties are usually brought on by poor physical condition. Gentle massage with clean fingers and hot compresses of boric acid solution can be used as immediate treatment for this condition. But the most important thing in treating this eye trouble, as in many eye troubles, is to build up the general health, making sure that your diet is built around fresh milk, fruits, and vegetables and that you have plenty

of sleep, and exercise in the fresh air.

Xerophthalmia is an eye disease caused by lack of Vitamin A. Lack of lime in the diet will also cause eye disturbances. The best source of both these elements is fresh milk.

We can't change the actual color of our eyes but we can do wonders toward beautifying them. Grooming of lashes and eyebrows is important. And recently the eye make-ups which are on the market have been greatly improved until now when artistically applied, eye shadowing may be suitably used even in the daytime.

Of course, just as the color of the sky will be reflected in the color of a lake or stream, so also can the colors of a woman's dress, hat or jewelry affect the seeming color of her eyes. Those with pale blue eyes should avoid strong, bright blue and wear dark, soft, misty blue. Orange will give strength to a faint blue. Gray-eyed people should shun browns, yellows, or warm reds, and wear instead soft blues, cool greens, and purplish reds.

Beautiful, expressive eyes can transform your entire appearance, so surely it is worthwhile to give them most careful attention.

house, compared the people of Illinois to Cubans and Russians and said disorder must be averted.

A telegram was read, supposedly from Washington authorities, indicating that Illinois would not get another dollar from the federal government for relief. At the same time it was being announced in Washington that one billion dollars would be distributed for relief "this winter." With six per cent of the population, Illinois' share of this should be \$120,000,000.

The state relief commission last week also appointed Daniel Sands to work with the government in the latter's plans to establish ten stations in Illinois cities to care for unemployed single men and women, a work which up to now has been paid for by the state.

Corporation Counsel Sexton of Chicago re-painted the old picture of Michigan avenue being choked with the frozen bodies of women and children while the gutters of State street

ran red with the blood of rioters, unless the \$30,000,000 bond issue was passed. He has been telling the same story to the legislature at frequent intervals for a couple of years.

At the same time it was being claimed that Chicago could not take care of its own unemployed, announcement was made that the city would reduce its debt by \$50,000,000 this year and that taxes to be collected next year would be reduced 14 per cent.

All of which was confusing to the legislative mind, already bewildered regarding how "the folks back home" would consider continuance of the dole. There will have to be considerable explanation and clarifying of the situation before the relief bills can be put through. This may delay matters, as Gov. Horner is said to resent bitterly any questioning of his acts or assertions by legislators.

Veteran legislators predicted that the special sessions probably would last until March.

"In School Days" HIGH SCHOOL NOTES

Hans Von Holwede Receives His Final Citizenship Papers

Hans Von Holwede yesterday was given his final papers establishing him as a citizen of the United States. He was accompanied to Chicago by Prin. L. O. Bright and W. C. Petty.

A high school assembly was held upon their return in honor of the occasion. Mr. Von Holwede, popular music instructor at the high school, was presented with flowers and cake by the students and faculty members. He has been a resident of the United States for seven years, having spent a year in Canada previous to that. His native country is Germany.

In a brief but stirring speech, Mr. Von Holwede declared that he appreciates his rights and privileges as an American citizen more than any American-born student present, and challenged them to find a student with as great an appreciation.

Because of The Antioch Country Fair activities last week, only three

Intramural games were played by the boys and none by the girls. The Seniors are still leading with a percentage of .833.

The Sophomores are retaining their second place, having defeated the Freshmen in soccer Tuesday, Oct. 3, 4-1. However, they received a trimming in soft ball at the hands of the Seniors the following afternoon, 12-1. The Juniors took a softball game from the Freshmen on Thursday, 6-2.

	Percentage	W.	L.
Seniors	.833	5	1
Sophomores	.600	3	2
Juniors	.500	3	3
Freshmen	.000	0	5

Miss Cornelia Roberts, history and English instructor, attended the monthly dinner of the Suburban Deans' Association held in Chicago October 3. Miss Roberts is treasurer of the Association.

Moving pictures of the Shakespearean play, "King Lear" were shown at the Grade School Monday. These educational pictures are used to stimulate interest in English work.

To Hold Funeral Services For Mrs. Paseday Tomorrow

Funeral services for Mrs. A. C. Paseday, 55, who passed away at the Victory Memorial Hospital, Waukegan, at 8:20 Wednesday evening, will be conducted by Rev. Philip T. Bohl from the Holland funeral home, Waukegan, at 2 o'clock tomorrow afternoon.

Another service will be held in Chicago on Saturday, with burial at the Graceland Cemetery, Chicago.

Mrs. Paseday underwent an operation for a malignant growth at the Victory Memorial about a month ago, and it was thought that she was recovering satisfactorily.

Lived in Chicago

Mrs. Paseday has spent most of her life in Chicago. During the past four years she has lived at Cross Lake, where her husband is employed as caretaker of the C. W. Martin estate. Before her marriage in 1921, she was Miss Antoinette Shaefer. She was born in Chicago June 3, 1878. Surviving her are her husband, a brother, William Shaefer, Chicago; and three sisters, Mrs. Keuhen, Chicago; Mrs. Kruger, Chicago; and Mrs. Ruprecht, Joliet, Ill.

Chicago Man to Locate Funeral Home in Antioch

A new funeral home will be located at 1060 S. Main, in the old Johnny Thayer place, it was learned this week. Edward T. Lerner, 3118 Montrose Ave., Chicago, who is renting the place from George Wedge, is having the house painted and general improvements made preparatory to establishing the home.

Mr. Lerner at present is conducting a funeral home in Chicago, and plans to maintain both homes. Mrs. Edna Lasch and family are moving into the upper story from their home on 1001 S. Main St.

Several Enrolled at Waukegan Lake College of Commerce

Nine students from Antioch, Lake Villa, and Gurnee are enrolled at the Lake College of Commerce in Waukegan, which boasts the largest enrollment in history. They are:

GRADE SCHOOL TO BE INCLUDED IN WATCHMAN'S BEAT

As a result of recent cases of petty vandalism discovered on the grade school grounds, the Antioch Grade School Board has decided to have John Brogan, night watchman, include the Grade School in his regular round.

Within the past two weeks there have been two occasions on which prowlers visited the school grounds, doing considerable damage to the playground equipment. The basketball goals were broken, swings cut, and the merry-go-round damaged. Investigations are being carried on to discover the culprits.

Rural schools have suffered during the past two or three years from thieves who broke into the building, and looted encyclopedias, maps, atlases, and other educational material of value. It is with the intention of circumventing any similar trouble that the Board has engaged Mr. Brogan to "keep his eye" on the buildings.

Girl Scout News
On account of having a stand at the Fair we did not have a Girl Scout meeting. The stand was very successful.

Next Monday Florence Peterson, Marie Ball, Mary Osmond, Irene Pachey, Gertrude Horton, if they finish their tenderfoot work will be able to receive their pins, Friday, Oct. 20, 1933.
